From the Office of the Executive Director

Spring is finally here, and the flowers are in bloom. Happy Mother's Day to all our mothers that made our lives a joyful one. We are looking to start our outside picnics, courtyard activities, rocking in our chairs in the front of the building and watching the flowers grow and the birds sing. Activities has been hard at work getting great entertainment to perform and adding lots of new interests to the calendar. The Dining department is excited with their new menus for the spring and summer. We are all looking forward to some good juicy watermelon.

Seniors on the Go has been very successful with lots of participation from our independent residents. From a trip to the casino, to breakfast at Lincoln Dinner to Lunch at a local Chinese Restaurant. Now that the weather is getting nicer, we can plan a trip to Kitchen Kettle, a Pontoon boat adventure, outside picnics and even another Potluck Dinner. We encourage everyone to participate and get out and have some fun. Sign ups are located at the main desk on the ground floor. We look forward to getting everyone involved!
