Thanksgiving Day Fun Facts

Thanksgiving dates back to 1621
Thanksgiving is celebrated in a few countries, but its origins trace back to Pilgrims and Native Americans in the US.

The first Thanksgiving feast was three days long, and the menu was quite different from what you might see on dinner tables today. It included venison, duck, goose, oysters, lobster, eel, and fish.

Thanksgiving became an official holiday in 1863
Abraham Lincoln proclaimed Thanksgiving a national holiday in 1863 in the midst of the Civil War in an attempt to foster a sense of American unity.

For Native Americans, it's a day of quiet reflection and prayer; for many Native Americans, Thanksgiving is a day of personal reflection, acknowledging ancestors, and the ongoing resilience of their communities.
